Message from Pete Miraglia, JRC Interim Executive Director

There is a lot happening in downtown Jamestown and a lot of opportunity. We need more retailers, service providers, vendors, and artisans to complement the many attractions that are drawing thousands of visitors to downtown. If you are considering starting a business or are an established business interested in expanding or relocating to Jamestown, please give me a call @ 716-489-3494.

Together with our many partners, we can help you refine your plans, locate a suitable site, and potentially provide financial incentives for locating your business in Jamestown.

Do you own property downtown?

Please give me a call, I'd be delighted to meet with you and hear your ideas for developing your property. JRC can put you in contact with potential funding sources and help you find the most suitable tenants for your property.

Does your business involve manufacturing, product distribution, technology or customer support? The Jamestown area is home to many of these industries and would welcome some more. Please call me for further information.

Are you a realtor or real estate broker?

Please, feel free to call me @ 716-489-3494 to discuss possible leads and developments. We believe that collaboration is the key to Jamestown's future.

Sincerely,

A handwritten signature in black ink, appearing to read "Pete Miraglia".
