After registering, it's time to decorate! We encourage creativity, originality, and liberal use of lighting! **Decorations need to be in place by 6pm on Friday, December 1.** Between December 1 and December 11, our panel of judges will be making the rounds and selecting the winners. Judges for the event are community members volunteering their time to carefully check out each and every display and vote. In addition, this year there will be a People's Choice award, with the winner based on reactions to the photos we will display on our Facebook page.

Photos of each registered business will be taken during the evening hours (when it's dark) between December 1 and 3. These photos will be posted in an album on Facebook, and will be used for voting for the People's Choice award. Voting for the People's Choice award will begin Monday, December 4, and end at 5pm Sunday, December 10.

Winners will be announced during the week of December 11.
